## PROGRAM NOTES

This arrangement was strictly done for utility purposes and maybe just a little bit of fun. Through many years of teaching I always found that I could never locate a printed arrangement of the birthday song for band to use at various functions. Just remember, it can be a party anywhere and you can be ready to play for students, faculty, and audience members at any time with this in your folder. Set in a festive style, it's sure to bring some smiles and happy memories. Have fun! - Kevin Hanson
